COCHIN LEGISLATIVE COUNCIL PROCEEDINGS.

(OFFICIAL REPORT.)

LEGISLATIVE SESSION OF 1102.

Monday, the $\frac{\text{21st of February 1927.}}{\text{9th of Kumbham 1102.}}$

The second sitting of the legislative session of 1102 commenced in the Town Hall, Ernakulam, at 11—30 a. m. on the 9th of Kumbham 1102 corresponding to the 21st of February 1927. M. R. Ry. Rao Bahadur T. S. Narayana Ayyar Avergal, M. A., B. L., the Diwan of Cochin, and the *ex-officio* President of the Council, presided. All the Members, except Messrs. C. A. Kunjunni Raja, Lonappan Chakkola, P. Munda Vaidyan, Poulo Mampilli, S. F. Nunez, A. Kuria Thoma and H. J. Walmesly and Srimati T. Madhavi Amma, were present.

The President's Opening Statement.

President.—Members of the Legislative Council, we have met after an interval of over two months to continue the deliberations of the legislative session, and I hope it will be possible with the hearty co-operation of one and all of you to get through the numerous items of business arranged for this and the following four days in a satisfactory manner. The first item of business for the day is Questions and Answers, and the Council will now proceed to that business.

Questions and Answers.

Particulars of the strength, etc., in Class IV of Malayalam Schools, aided and Sirkar.

208. **Mr. T. A. Ramachandra Ayyar.**—Will the Government be pleased to place on the table a statement containing the following facts.—

(a) the actual strength of Class IV in each of the aided Malayalam Schools on the date of annual examination in 1100 and 1101;

(b) the actual number that sat for the examination;

(c) the number detained for want of attendance and the number absent;

(d) a statement containing the above particulars called for in (a) to (c) in respect of Class IV in each of the Sirkar Malayalam Schools?

Mr. C. Matthai.—(a) to (d). Statements containing the information are appended. (*Vide Appendix I.*)

LIBRARY ARCHIVES Kerala Legislative Assembly

Mr. T. A. Ramachandra Ayyar.—A reference to page 17, Appendix I, and page 21, (the same appendix) gives the wide difference in the number of the absentees, the number which actually sat for the examination, and the total number that was on the rolls on the examination date. In some schools, out of 30 students, only 13 or 14 sat for the examination. Page 18. In 1101, in the St. Antony's Girls' School, out of 31 students, only 20 students attended. Then, again, (serial No. 54) in the St. Thomas' School, in 1100, out of 30 students, only 12 attended the examination, and in 1101, only 10. On a perusal of the whole list, you will find that there are many absentees who did not sit for the examination, but the number on the rolls was great, and the number that absented themselves was also great. But in the case of Sirkar schools, (vide page 21), you will find that, out of 20, 20 attended; out of 17, 16 attended; out of 14, 13 attended; out of 46, 45 attended, and out of 54, 51 attended. And in these cases, you will find there will be only one or two absentees. Now, may I know what is this great difference due to?

Mr. C. Matthai.—The attendance in Sirkar schools is better than that in aided schools. Sirkar schools, as a rule, are better managed than aided schools.

President.—It is not the question of attendance. It is a question of the number that sat for the examination with reference to the number that were present. While there is not very great disproportion between the number of students that attended and the number of students that sat for the examination in Sirkar schools, we find considerable disproportion, so far as the attendance and sitting for the examination are concerned, with reference to aided schools.

Mr. C. Matthai.—The rule is that only pupils who put in a fairly high percentage of attendance are allowed to sit for the examination. A pupil must put in 270 attendance; otherwise, he will not be allowed to sit for the examination. In Sirkar schools there are very few pupils who fail to put in the required minimum.

President.—Does it not depend upon the efficiency of the students who sit for the examination?

Mr. C. Matthai.—Efficiency is judged by the final examination. But, before they are allowed to sit for the examination, they should have put in 270 full attendance.

President.—There is the further question why there should be this scanty attendance in aided schools, while there is encouraging attendance in Sirkar schools.

LIBRARY ARCHIVES Kerala Legislative Assembly

Mr. C. Matthai.—As I said, Sirkar schools are better managed.

President.—That is a reflection on the management of the aided schools.

Mr. C. Matthai.—That is admitted by the department.

Mr. T. A. Ramachandra Ayyar.—What has the management to do with the attendance ?

President.—They ought to enforce proper attendance, which, probably, in the actual state of things, we find, is not done. Boys should either be suspended or some other disciplinary action should be taken. In Sirkar schools all those disciplinary rules are enforced to the very letter.

Mr. T. A. Ramachandra Ayyar.—There can be some difference. But here, only 10 out of 30 attended, whereas, in Sirkar schools, 99% attended.

Mr. C. Matthai.—There are very many Sirkar schools where there are 90%. You cannot take the worst among aided schools with the best among Sirkar schools.

Kuri suits for the last six years.

209. Mr. Chakko Cheruvattur.—Will the Government be pleased to state.—

(a) the total number of *kuri* suits filed in the courts of our State during the last six years, and what is the proportion of it to the total number of suits filed in the courts ;

(b) of these, how many were against defaulting *kuri* starters, and how many were against subscribers each year, and how many of each sort were contested ;

(c) of these *kuries*, in how many was the starting capital (1) below Rs. 100, (2) above Rs. 100 and below Rs. 500 and (3) above Rs. 500 ?

Mr. K. Achyuta Menon.—(a), (b) and (c). Vide the statements appended. (*Appendix II.*)

210. Mr. Chakko Cheruvattur.—Will the Government be pleased to state the total number of *kuri* suits pending disposal in the courts of our State at present (say on 1st Thulam 1102) ;

Of these, how many are against starters, and how many against subscribers ; in how many cases is the starting capital (1) below Rs. 100, (2) above Rs. 100 and below Rs. 500 and (3) above Rs. 500 ?

Mr. K. Achyuta Menon.—Vide the statement appended. (*Appendix III.*)
